

Progress Report as at 19 December 2017

A year after the launch of Friends of IOTA, we are pleased to report that 292 IOTA enthusiasts from 44 DXCCs responded generously to our appeal by donating £23,865, putting us at 95% of the first goal of GBP 25,000 we wished to achieve. About 51% of the funds were received from 143 EU hams, 35% from 80 NA hams and 11% from 53 AS hams. A total of 135 donors are on the IOTA Honour Roll and contributed 68% of the total funds received to date, while 88 donors had no IOTA record and contributed 22% of the total. The complete list of donors will continue to be updated periodically:

We wish to use this opportunity and thank all donors for their enthusiastic support of the planned IT activities. Since *paperless QSLing* will unquestionably benefit hugely both present and new IOTA members, **we want to encourage everyone in the community to support this effort by joining the Friends of IOTA!**
