

Progress Report as at 1 July 2018

Since the Friends of IOTA (FOI) initiative was launched two years ago, we are pleased to report that 302 IOTA enthusiasts from 44 DXCCs in 6 continents responded generously to our appeal by donating £24,455, putting us at 98% of the first goal of GBP 25,000 we wished to achieve. About 50% of the funds were received from 145 EU hams, 36% from 83 NA hams and 10% from 57 AS hams. A total of 140 donors are on the IOTA Honour Roll and contributed 68% of the total funds received to date, while 89 donors had no IOTA record at the time of their FOI membership and contributed 22% of the total. The complete list of donors will continue to be updated periodically:

We wish to thank all donors for their enthusiastic support of the planned IT activities. Since *paperless QSLing* will unquestionably benefit hugely both present and new IOTA members, **we want to encourage everyone in the community to support this effort by joining the Friends of IOTA!**
